Helpful Hints

- A. **To help avoid late arrivals**, have guests arrive at least 30 minutes prior to your dining time. **Plan to check in at least 15 minutes prior to your guest’s arrival.**
- B. **Your confirmation date is 4 days prior to your party**, so have guests RSVP at least 6 days prior if possible.
- C. **If you are going to supply us with a guest list**, drop it off at your check-in counter before you guests arrive. This will eliminate any confusion as to who are your invited guests. (Provide us with names of pre-paid guests only)
- D. **All paper goods, candles and utensils are supplied for you.** Your host or hostess will be serving the cake. **If you are providing your own themed party goods**, please drop the items off at the check-in area **at least** one hour prior to your scheduled dining time.
- E. **Birthday gifts** take time to open, so we suggest that you **do not open them in the Party Station** during the 1 hour dining time. There are many areas around the park in which to open gifts after exiting the Party Station, or you may decide to open the gifts at home.
- F. After the party celebration we would love to know how “Adventurous” your day was with us. An evaluation form is provided to you so you can **rate your party experience**, and **although tipping your party host/hostess is not required, an envelope will be provided on the day of your visit for those who wish to do so.**
